### **Statutory Auditors' report on the Issuance of Ordinary Shares and/or Marketable Securities Conferring Entitlement to Share Capital, Reserved for Members of an Employee Savings Scheme**

Combined General Shareholders' Meeting of 20 May 2021 - Resolution 28

To the Shareholders of JCDecaux SA ,

As Statutory Auditors of your Company and in accordance with our assignment pursuant to Articles L. 228-92 and L. 225-135 and following of the French Commercial Code (*Code de commerce*), we hereby present our report on the proposal to grant the Executive Board the authority to issue ordinary shares or marketable securities conferring entitlement to share capital, reserved for members of one or more employee savings schemes or group savings schemes established by the Company and/or its related French and foreign group companies, as defined in Article L. 255-180 of the French Commercial Code and Article L. 3344-1 of the French Labour Code, and to cancel preferential subscription rights. The maximum nominal amount of the issuance is 5% of share capital reached at the time of the Executive Board meeting for this capital increase, which is included in the aggregate maximum amount of €2.3 million set by Resolution 19 submitted at the Combined General Shareholders' Meeting of 20 May 2021, or, where appropriate, that this limit eventually be set out by a similar resolution that may supersede this resolution within the validity period of the current authorization.

The transaction is submitted for your approval in accordance with Articles L. 225-129-6 of the French Commercial Code and L. 3332-18 and following of the French Labour Code.

Your Executive Board proposes that you authorise it, on the basis of its report, for a period of 26 months, to issue shares and to cancel your preferential subscription rights to ordinary shares and/or marketable securities. Where appropriate, it shall determine the final conditions for this transaction.

It is the responsibility of your Executive Board to prepare a report in accordance with Articles R.225-113 and following of the French Commercial Code. Our responsibility is to express an opinion on the fair presentation of the figures derived from the Company's financial statements, on the proposal to cancel your preferential subscription rights and on other information relating to the share issue presented in the report.

We conducted the work we deemed necessary in accordance with the professional standards issued by the French institute of statutory auditors relating to this engagement. Our work entailed verifying the content of the report by the Executive Board on the transaction and the methods used to determine the issue price.

Subject to a subsequent examination of the issue conditions, we have no matters to report on the methods used for determining the issue price provided in the Executive Board's report.

As the issue price has not yet been determined, we do not express an opinion on the final conditions governing the increase in share capital or on the proposed cancellation of preferential subscription rights.

In accordance with Article R. 225-116 of the French Commercial Code, we will issue an additional report, if necessary, when your Executive Board uses the authorization to issue ordinary shares or marketable securities conferring entitlement to share capital.

The Statutory Auditors,
