PRIIPS REGULATION / PROHIBITION OF SALES TO EUROPEAN ECONOMIC AREA AND UNITED KINGDOM RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (**EEA**) or in the United Kingdom (**UK**). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU as amended (**MiFID II**); or (ii) a customer within the meaning of Directive 2016/97/EU, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently no key information document required by Regulation (EU) No 1286/2014, as amended (the **PRIIPs Regulation**) for offering or selling the Notes or otherwise making them available to retail investors in the EEA or in the UK has been or will be prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA or in the UK may be unlawful under the PRIIPs Regulation.

MIFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ELIGIBLE COUNTERPARTIES ONLY TARGET MARKET – Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Notes, taking into account the five categories referred to in item 18 of the Guidelines on MiFID II product governance requirements published by ESMA dated 5 February 2018, has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a **Distributor**) should take into consideration the manufacturers’ target market assessment; however, a Distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

*The Notes have not been and will not be registered under the U.S. Securities Act of 1933 as amended (the **Securities Act**). The Notes are being offered and sold only outside the United States to non-U.S. persons in compliance with Regulation S.*

In addition, until forty calendar days after the commencement of the offering of the Notes, an offer or sale of Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

*In this Prospectus, references to **€**, **EURO**, **EUR** or to **euro** are to the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty on the Functioning of the European Union, as amended.*

RISK FACTORS

There is a wide range of factors which individually or together could result in the Issuer becoming unable to make all payments due in respect of the Notes. It is not possible to identify all such factors, as the Issuer may not be aware of all relevant factors and certain factors which it currently deems not to be material may become material as a result of the occurrence of events outside the Issuer's control. The Issuer has identified in this Prospectus a number of factors which could materially adversely affect its business and ability to make payments due under the Notes.

The following is a description of risk factors in relation to the Notes which set out the most material risks, taking into account the negative impact of such risks on the Issuer and the Notes and the probability of their occurrence. The following statements are not exhaustive. In addition, investors should be aware that the risks described may be combined and thus interrelated with one another.

Terms defined in "Terms and Conditions of the 2024 Notes" and "Terms and Conditions of the 2028 Notes" below shall have the same meaning where used below. References to "Conditions" in this section refer to the terms and conditions of the 2024 Notes and terms and conditions of the 2028 Notes.

1. Risks relating to the Issuer

The risk factors relating to the Issuer and its business are set out in the 2019 Universal Registration Document which is incorporated by reference in this Prospectus, as set out in the section "*Documents Incorporated by Reference*" on pages 12 to 14 of this Prospectus, and in particular, the cross reference table included therein, and include the following:

- Fraud, corruption, illicit agreement;
- Compliance with laws and regulations;
- Financial risks;
- Strategic risks;
- Operating risks; and
- Exogenous risks.

2. Risks linked to the Notes

2.1 Risks for the Noteholders as creditors of the Issuer

Credit risk

Pursuant to Condition 2 (*Status of the Notes*), the obligations of the Issuer in respect of the Notes constitute direct, unconditional, unsubordinated and unsecured obligations of the Issuer. An investment in the Notes involves taking credit risk on the Issuer, meaning the risk that the Issuer may be unable to meet its financial obligations under the Notes. Since the Notes are unsecured obligations of the Issuer, benefiting from no direct recourse to any assets or guarantees, the Noteholders can only rely on the ability of the Issuer to pay any amount due under the Notes. The value of the Notes will also depend on the creditworthiness of the Issuer (as may be impacted by the "*Risks relating to the Issuer*" as described above). If the creditworthiness of the Issuer deteriorates, (i) the Issuer may not be able to fulfil all or part of its payment obligations under the Notes and (ii) the value of the Notes may decrease, and Noteholders may lose all or part of their investment.

French Insolvency Law

As a *société anonyme* incorporated in France, French insolvency laws apply to the Issuer. Under French insolvency law, notwithstanding any clause to the contrary, holders of debt securities (such as the Notes) are automatically grouped into a single assembly of holders (the **Assembly**) in order to defend their common interests if a safeguard procedure (*procédure de sauvegarde*), an accelerated safeguard procedure (*procédure de sauvegarde accélérée*), an accelerated financial safeguard procedure (*procédure de sauvegarde financière accélérée*) or a judicial reorganisation procedure (*procédure de redressement judiciaire*) is opened in France with respect to the Issuer.

The Assembly comprises holders of all debt securities issued by the Issuer (including the Notes), regardless of their governing law.

The Assembly deliberates on the proposed safeguard plan (*projet de plan de sauvegarde*), proposed accelerated safeguard plan (*projet de plan de sauvegarde accélérée*), proposed accelerated financial safeguard plan (*projet de plan de sauvegarde financière accélérée*) or proposed judicial reorganisation plan (*projet de plan de redressement*) applicable to the Issuer and may notably agree to:

- increase the liabilities (*charges*) of holders of debt securities (including the Noteholders) by rescheduling due payments and/or partially or totally writing-off receivables in the form of debt securities;
- establish an unequal treatment between holders of debt securities (including the Noteholders) if the differences in situation so justify; and/or
- decide to convert debt securities (including the Notes) into securities that give or may give rights to share capital.

Decisions of the Assembly will be taken by a two-thirds majority (calculated as a proportion of the debt securities held by the holders expressing a vote). No quorum is required to hold the Assembly. The holders whose rights are not modified by the proposed plan do not participate in the vote.

The procedures, as described above or as they will or may be amended, could have an adverse impact on holders of the Notes seeking repayment in the event that the Issuer or its Subsidiaries were to be subject to French insolvency proceedings.

For the avoidance of doubt, the provisions relating to the representation of the Noteholders described in Condition 10 (*Representation of the Noteholders*) will not be applicable with respect to the Assembly to the extent they conflict with compulsory insolvency law provisions that apply in these circumstances.

It should be noted that Directive (EU) 2019/1023 on preventive restructuring frameworks, on discharge of debt and disqualifications, and on measures to increase the efficiency of procedures concerning restructuring, insolvency and discharge of debt and amending Directive (EU) 2017/1132 dated 20 June 2019 (the **Restructuring Directive**) shall be transposed by the Member States before 17 July 2021. Depending on how it will be transposed into French law, it may modify French insolvency law described above and impact the situation of Noteholders in the event that the Issuer or its Subsidiaries were to be subject to the relevant French insolvency proceedings.

More specifically the Restructuring Directive is expected to impact the process of adoption of restructuring plans under insolvency proceedings. Creditors (including the Noteholders) shall be treated in separate classes which reflect certain class formation criteria for the purpose of adopting a restructuring plan. Classes shall be formed in such a way that each class comprises claims or interests with rights that are sufficiently similar to justify considering the members of the class a

homogenous group with commonality of interest. As a minimum, secured and unsecured claims shall be treated in separate classes for the purpose of adopting a restructuring plan. A restructuring plan shall be deemed to be adopted by affected parties, provided that a majority in the amount of their claims or interests is obtained in each and every class (the required majorities shall be laid down by Member States at not higher than 75% in the amount of claims or interests in each class). If the restructuring plan is not approved by each and every class of affected parties, the plan may however be confirmed by a judicial or administrative authority by applying a cross-class cram-down. Therefore, when the Restructuring Directive is transposed into French law, it is expected that holders of notes (including the Noteholders) will no longer deliberate on the proposed restructuring plan in a separate assembly and accordingly they will no longer benefit from a specific veto power on this plan. Instead, as any other affected parties, holders of notes (including the Noteholders) will be grouped into one or several classes (with potentially other types of creditors) and their dissenting vote may possibly be overridden by a cross-class cram down.

The commencement of insolvency proceedings against the Issuer could have a material adverse effect on the market value of Notes issued by the Issuer. Any decisions taken by the Assembly or a class of affected parties, as the case may be, could negatively and significantly impact the Noteholders and cause them to lose all or part of their investment, should they not be able to recover all or part of the amounts due to them from the Issuer.

Limited restricted covenants

The Notes do not restrict the Issuer or its Subsidiaries from incurring additional debt. Condition 3 (*Negative Pledge*) provides for a negative pledge that prohibits the Issuer and its Principal Subsidiaries, in certain circumstances from creating security over assets, but only to the extent that such is used to secure other bonds or similar listed or quoted debt instruments. The Conditions do not contain any other covenants restricting the operations of the Issuer, or its ability to distribute dividends or buy back shares. The Issuer's Subsidiaries are not bound by obligations of the Issuer under the Notes and are not guarantors of the Notes.

Subject to the above-mentioned negative pledge and Condition 8(b) (*Breach of other obligations*), the Issuer and its Subsidiaries may incur additional debt that could be considered before or rank equally with the Notes.

If the Issuer incurs significant additional debt ranking equally with the Notes, it will increase the number of claims that would rank equally with those of the Noteholders in connection with an insolvency, bankruptcy or similar proceeding. If the Issuer or any of its Subsidiaries incurs additional debt that is structurally senior or that would otherwise come prior to the Notes, it could increase the risks of Noteholders as compared with the holders of such senior instruments.

These limited restricted covenants may not provide sufficient protection for Noteholders which could materially and adversely impact the Noteholders and increase the risk of losing all of their investment in the Notes.

Modification and waivers

Condition 10 (*Representation of the Noteholders*) provides that Noteholders will be grouped automatically for the defence of their interests in a Masse and contains provisions for collective decisions of Noteholders to consider matters affecting their interests generally to be adopted either through a general meeting or by consent following a written consultation. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote or were not represented at the relevant meeting or did not consent to the written consultation and Noteholders who voted in a manner contrary to the majority. If a decision is adopted by a majority of Noteholders and such modifications were to impair or limit the rights of the Noteholders, this may have an impact on the market value of the Notes and hence Noteholders may lose part of their investment.

2.2 Risks related to the commercial terms of the Notes, including interest rate and early redemption

Interest rate risk for fixed rate notes

The Notes bear interest at a fixed rate of (i) 2.00 per cent. *per annum* in respect of the 2024 Notes and (ii) 2.625 per cent. *per annum* in respect of the 2028 Notes, as detailed in Condition 4 (*Rate of Interest*). Investment in the Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of the Notes. Generally, prices of fixed interest rate bonds tend to fall when market interest rates rise and accordingly are subject to volatility.

While the nominal interest rate of a fixed interest rate note is fixed during the life of such a note, the current interest rate on the capital market (**market interest rate**) typically changes on a daily basis. If the market interest rate increases, the price of such note typically falls, until the yield of such note is approximately equal to the market interest rate. If the market interest rate decreases, the price of a fixed rate note typically increases, until the yield of such note is approximately equal to the market interest rate. Noteholders should be aware that movements of the market interest rate can adversely affect the price of the Notes and can lead to losses for the Noteholders if they sell Notes during the period in which the market interest rate exceeds the fixed rate of the Notes. Such decrease of the purchase price of the Notes could negatively and materially affect the Noteholders since all or part of the capital invested by the Noteholder may be lost upon any disposal of the Notes, so that the Noteholder in such case could not receive all or part of the capital invested to purchase the Notes.

The Notes may be redeemed prior to maturity

Pursuant to Condition 5.2 (*Redemption for Taxation Reasons*), in the event that the Issuer would be obliged to pay additional amounts in respect of any Notes due to any withholding as provided in Condition 7 (*Taxation*), the Issuer may and, in certain circumstances shall, redeem all but not part of the Notes then outstanding in accordance with such Condition.

In addition, the Issuer may, at its option (i) from and including (a) 24 July 2024 in respect of the 2024 Notes and (b) 24 January 2028 in respect of the 2028 Notes to but excluding their respective Maturity Date, redeem the Notes outstanding, in whole but not in part, at par plus accrued interest, as provided in Condition 5.5 (*Residual Maturity Call Option by the Issuer*); (ii) redeem, in whole or in part, the then outstanding Notes at any time prior to (a) 24 July 2024 in respect of the 2024 Notes and (b) 24 January 2028 in respect of the 2028 Notes, at the relevant make whole redemption amount, as provided in Condition 5.4 (*Make Whole Redemption by the Issuer*); and (iii) redeem all but not some of the outstanding Notes in the event that twenty-five (25) per cent. or less of the initial aggregate principal amount of the relevant Notes remains outstanding, as provided in Condition 5.6 (*Squeeze Out Redemption*).

The yields received upon early redemption of the Notes may be lower than expected by Noteholders, and the early redemption price of the Notes may be lower than the purchase price for the Notes paid by the Noteholder. As a consequence, part of the capital invested by the Noteholder may be lost, so that the Noteholder in such case would not receive the total amount of the capital invested.

The Issuer may choose to redeem the Notes at times when prevailing interest rates may be relatively low. In such circumstances a Noteholder may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the relevant Notes. The price at which a Noteholder will be able to sell the Notes prior to maturity may be at a discount, which could be substantial, from the issue price or the purchase price paid by such purchaser. During any period when the Issuer may elect to early redeem Notes, the market value of those Notes may not rise substantially above the early redemption price.

In addition, in case of partial redemption of the Notes in accordance with Condition 5.4 (*Make Whole Redemption by the Issuer*) depending on the principal amount so redeemed the outstanding principal amount may decrease so that any trading market in respect of those Notes may become illiquid which, depending on the extent of the illiquidity, may have a direct and significant impact on any remaining Noteholders seeking to dispose of their Notes.

All of the above may reduce the profits Noteholders may have expected in subscribing the Notes, the negative impact on the Noteholders' anticipated returns could be significant and could have a materially adverse impact on the Noteholders.

Change of Control - put option

If at any time while any of the Notes remain outstanding (i) there occurs a Change of Control or a Potential Change of Control and (ii) within the Change of Control Period, a Rating Downgrade occurs or has occurred as a result of such Change of Control or, as the case may be, Potential Change of Control (all as defined in Condition 5.3 (*Redemption at the option of the Noteholders following a Change of Control*)), each Noteholder will have the right to request the Issuer to redeem or procure the purchase of all or part of its Notes at their principal amount together with any accrued interest.

Depending on the number of Notes in respect of which such right is exercised, any trading market in respect of those Notes in respect of which such put option is not exercised may become illiquid.

In addition, Noteholders having exercised their Put Option may not be able to reinvest the moneys they receive upon such early redemption in securities with the same yield as the redeemed Notes, which may have an adverse impact on the Noteholders and reduce the profits anticipated by Noteholders at the time of the issue.

2.3 Risks related to the market generally

Market value of the Notes

Application has been made for the Notes to be admitted to trading on Euronext Paris. The Notes have been rated BBB by S&P and Baa2 by Moody's. A credit rating may be revised, suspended or withdrawn by the relevant rating agency at any time. A revision, suspension or withdrawal of a rating may adversely affect the market price of the Notes. The market value of the Notes depends on a number of interrelated factors, including the creditworthiness of the Issuer, economic, financial (including interest rate and currency fluctuations) and political events in France or elsewhere, including factors affecting capital markets generally and the stock exchange on which the Notes are traded. The price at which a Noteholder will be able to sell the Notes prior to maturity may be at a discount, which could be substantial, from the issue price or the purchase price paid by such purchaser. Accordingly, all or part of the capital invested by the Noteholder may be lost upon any disposal of the Notes, so that the Noteholder in such case would receive significantly less than the total amount of capital invested.

No active secondary market for the Notes

Although application has been made for the Notes to be admitted to trading on Euronext Paris, an investment in the Notes should be considered primarily with a view to holding them until their maturity (i.e. 24 October 2024 with respect to the 2024 Notes and 24 April 2028 with respect to the 2028 Notes). Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be liquid. Therefore, Noteholders may not be able to sell their Notes easily or at prices that provide them with a yield comparable to similar investments that have a developed secondary market. A decrease in the liquidity of the Notes may cause, in turn, an increase in the volatility associated with the price of the Notes in the market and reduce the profits anticipated by the Noteholders at the time of the issue of the Notes.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Notes in Euro. This presents certain risks relating to currency conversions if a Noteholder's financial activities are denominated principally in a currency or currency unit (the **Investor's Currency**) other than Euro. These include the risk that exchange rates may significantly change (including changes due to devaluation of Euro or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Euro would decrease (i) the Investor's Currency-equivalent yield on the Notes, (ii) the Investor's Currency-equivalent value of the principal payable on the Notes and (iii) the Investor's Currency-equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, Noteholders may receive less interest or principal than expected, or no interest or principal. This may result in a significant loss on any capital invested from the perspective of a Noteholder whose domestic currency is not the Euro.

The Issuer has entered into an agency agreement to be dated 22 April 2020 (the **Agency Agreement**) with BNP Paribas Securities Services as fiscal agent and paying agent (the **Fiscal Agent** and the **Paying Agent** which expressions shall, where the context so admits, include any successor for the time being as fiscal agent or paying agent) and DIIS GROUP as calculation agent (the **Calculation Agent**, which expression shall, where the context so admits, include any successor for the time being as calculation agent).

References below to "**Conditions**" are, unless the context otherwise requires, to the numbered paragraphs below. In these Conditions, "**holder of 2024 Notes**", "**holder of any 2024 Note**" or "**Noteholder**" means the person whose name appears in the account of the relevant Account Holder (as defined below) as being entitled to such 2024 Notes.

1. **Form, Denomination and Title**

2. **Status**

The obligations of the Issuer in respect of the 2024 Notes constitute direct, unconditional, unsubordinated and (subject to Condition 3 "*Negative Pledge*" below) unsecured obligations of the Issuer and rank and will at all times rank *pari passu* and without any preference among themselves and (subject to such exceptions as are from time to time mandatory under French law) equally and rateably with all other present or future unsecured and unsubordinated obligations of the Issuer.

3. **Negative Pledge**

So long as any of the 2024 Notes remains outstanding (as defined below), the Issuer will not, and the Issuer will procure that none of its Principal Subsidiaries (as defined below) will, create or permit to subsist any Security Interest upon the whole or any part of the Issuer's and/or any of its Principal Subsidiaries' assets, revenues or rights, present or future, to secure (i) any Relevant Debt (as defined below) incurred by the Issuer, or (ii) any guarantee or indemnity in respect of any Relevant Debt (whether before or after the issue of the 2024 Notes) unless, at the same time or prior thereto, the

Issuer's obligations under the 2024 Notes (a) are equally and rateably secured therewith or (b) have the benefit of such other security or other arrangement as shall be approved by the *Masse* (as defined in Condition 10) pursuant to Condition 10.

For the purposes of these Conditions:

outstanding means in relation to the 2024 Notes, all the 2024 Notes issued other than (i) those which have been redeemed on their due date or otherwise in accordance with the Conditions, (ii) those in respect of which claims have been prescribed under Condition 9 and (iii) those which have been purchased and cancelled in accordance with the Conditions.

Relevant Debt means any present or future indebtedness for borrowed money in the form of, or represented by, bonds (*obligations*), notes or other securities which are for the time being, are to be, or are capable of being, quoted, admitted to trading, listed or ordinarily dealt in on any stock exchange, multilateral trading facility, over-the-counter market or other securities market.

4.1 Interest Payment Dates

The 2024 Notes bear interest from, and including, 24 April 2020 (the **Interest Commencement Date**) to, but excluding, 24 October 2024 (the **Maturity Date**) at the rate of 2.00 per cent. *per annum* payable annually in arrear on 24 October in each year (each an **Interest Payment Date**). The first short coupon will be paid on 24 October 2020 for the period from, and including, the Interest Commencement Date to, but excluding, 24 October 2020.

4.2 Interest Payments

Each 2024 Note will cease to bear interest from the due date for redemption, unless payment of principal is improperly withheld or refused on such date. In such event, interest on such 2024 Note shall continue to accrue at the rate of 2.00 per cent. *per annum* (both before and after judgment) until the calendar day (included) on which all sums due in respect of such 2024 Note up to that calendar day are received by or on behalf of the relevant holder.

If interest is required to be calculated for a period of less than one (1) year, it will be calculated on an Actual/Actual (ICMA) basis for each period, that is to say the actual number of calendar days elapsed during the relevant period divided by 365 (or by 366 if a February 29 is included in such period), the result being rounded to the nearest cent (half a cent being rounded upwards).

5. Redemption and Purchase

The 2024 Notes may not be redeemed otherwise than in accordance with this Condition 5 or with Condition 8.

5.1 Final Redemption

Unless previously redeemed or purchased and cancelled, the 2024 Notes will be redeemed by the Issuer in full at their principal amount on the Maturity Date.

5.2 Redemption for Taxation Reasons

- (a) If, by reason of a change in French law or regulation, or any change in the official application or interpretation of such law or regulation, becoming effective after the Issue Date, the Issuer would, on the occasion of the next payment of principal or interest due in respect of the 2024 Notes, not be able to make such payment without having to pay additional amounts (whether in respect of some of, or all, the 2024 Notes) as specified in Condition 7, the Issuer may at any time, subject to having given not more than forty-five (45) nor less than thirty (30) calendar days' prior notice to the Noteholders in accordance with Condition 11 (which notice shall be irrevocable), redeem all, but not some only, of the 2024 Notes outstanding at their principal amount, together with all interest accrued to the date fixed for redemption, provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable Interest Payment Date on which the Issuer could make payment of principal or interest without withholding or deduction for French taxes.
- (b) If the Issuer would on the occasion of the next payment of principal or interest in respect of the 2024 Notes be prevented by French law from making payment to the Noteholders of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 7, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall, subject to having given not less than seven (7) calendar days' prior notice to the Noteholders in accordance with Condition 11 (which notice shall be irrevocable), redeem all, but not some only, of the 2024 Notes then outstanding at their principal amount, together with all interest accrued to the date fixed for redemption of which notice hereunder may be given, provided that the due date for redemption shall be no earlier than the latest practicable date on which the Issuer could make payment of the full amount of principal or interest payable in respect of the 2024 Notes or, if such date has passed, as soon as practicable thereafter.

5.3 Redemption at the option of Noteholders following a Change of Control

If at any time while any of the 2024 Notes remain outstanding (i) there occurs a Change of Control or a Potential Change of Control and (ii) within the Change of Control Period, a Rating Downgrade occurs or has occurred as a result of such Change of Control or, as the case may be, Potential Change of Control (a **Put Event**), each Noteholder will have the option (the **Put Option**) (unless, prior to the giving of the Put Event Notice (as defined below), the Issuer gives notice of its intention to redeem the 2024 Notes under Condition 5.2) to require the Issuer to redeem or, at the Issuer's option, to procure the purchase of all or part of its 2024 Notes on the Optional Redemption Date (as defined below) at an amount equal to 100 per cent. (100%) of its principal amount together with (or, where purchased, together with an amount equal to) accrued interest to but excluding the Optional Redemption Date.

A **Change of Control** in respect of the Issuer shall be deemed to have occurred when any person or persons acting in concert (as defined below) come(s) to own or acquire(s), directly or indirectly, more than 50 per cent. (50%) of the issued share capital of the Issuer or such number of shares in the

capital of the Issuer carrying more than 50 per cent. (50%) of the voting rights exercisable at a general meeting of the Issuer, provided that there will be no Change of Control of the Issuer as long as any person or any group of persons acting in concert belonging to the Decaux Family or Controlled, directly or indirectly, by any such person(s) retain the ability to appoint or dismiss the majority of the members of the board of directors, the management board or the supervisory board of the Issuer.

Change of Control Period means the period commencing on the date that is the earlier of (i) the date of the first public announcement of the relevant Change of Control and (ii) the date of the Potential Change of Control (the **Relevant Announcement Date**) and ending on the date which is one hundred twenty (120) calendar days (inclusive) after the date of the first public announcement of the relevant Change of Control.

Control has the meaning given in Article L.233-3 of the French *Code de commerce* and **acting in concert** has the meaning given in Article L.233-10 of the French *Code de commerce*.

Decaux Family means Mr Jean-François Decaux, Jean-Charles Decaux, Jean-Sébastien Decaux, their spouses, their collaterals, their ascendants and descendants to the second degree and their spouses and collaterals' ascendants and descendants to the second degree.

Potential Change of Control means any public announcement or statement by the Issuer, any actual or potential bidder relating to any potential Change of Control of the Issuer.

A **Rating Downgrade** shall be deemed to have occurred in respect of a Change of Control or in respect of a Potential Change of Control, if within the Change of Control Period, the credit rating previously assigned to the Issuer by any Rating Agency (as defined below) solicited by the Issuer is:

- (i) withdrawn, or
- (ii) changed from an investment grade rating (BBB-/Baa3, or its equivalent for the time being, or better) to a non-investment grade rating (BB+/Ba1, or its equivalent for the time being, or worse),
- (iii) if the credit rating previously assigned to the Issuer by any Rating Agency solicited by the Issuer was below an investment grade rating (as described below), lowered by at least one full rating notch (for example, from BB+/Ba1 to BB/Ba2; or their respective equivalents), or

provided that:

- (A) a Rating Downgrade shall be deemed not to have occurred in respect of a particular Change of Control or Potential Change of Control, as the case may be, if the Rating Agency making the change in rating does not publicly announce or publicly confirm that the reduction or withdrawal was the result, in whole or in part, of the Change of Control or the Potential Change of Control, as the case may be, and
- (B) any Rating Downgrade must have been confirmed in a letter or other form of written communication, sent to the Issuer and publicly disclosed.

If the Issuer is rated by more than one Rating Agency, the rating to be taken into account to determine whether a Rating Downgrade has occurred shall be the lowest rating assigned by any such Rating Agency.

Rating Agencies means S&P Global Ratings and/or Moody's Investors Service Espana, S.A. and their respective successors or affiliates and/or any other rating agency of equivalent international

standing established in the European Union and registered under Regulation (EC) No. 1060/2009 as amended requested by the Issuer to grant it a credit rating (each a **Rating Agency**).

Promptly upon becoming aware that a Put Event has occurred, the Issuer shall give notice (a **Put Event Notice**) to the Noteholders in accordance with Condition 11 specifying the nature of the Put Event, the circumstances giving rise to it and the procedure for exercising the Put Option contained in this Condition 5.3.

To exercise the Put Option a Noteholder must transfer (or cause to be transferred by its Account Holder) its 2024 Notes to be so redeemed or purchased to the account of the Fiscal Agent (details of which are specified in the Put Event Notice) for the account of the Issuer within the period of forty-five (45) calendar days after the Put Event Notice is given (the **Put Period**), together with a duly signed and completed notice of exercise in the then current form obtainable from the specified office of any Paying Agent (a **Put Option Notice**) and in which the holder may specify an account denominated in euro to which payment is to be made under this Condition 5.3. A Put Option Notice once given will be irrevocable.

The Issuer shall redeem or, at its option, procure the purchase of the 2024 Notes in respect of which the Put Option has been validly exercised as provided above, and subject to the transfer of such 2024 Notes to the account of the Fiscal Agent for the account of the Issuer as described above, on the date which is the tenth (10th) Business Day following the end of the Put Period (the **Optional Redemption Date**). Payment in respect of any 2024 Note so transferred will be made in euro on the Optional Redemption Date to the account denominated in euro (or any other account to which euro may be credited or transferred) specified in the relevant Put Option Notice opened with a bank in a city in which banks use the TARGET System (as defined in Condition 6 below).

For the avoidance of doubt, no additional amount will be payable by the Issuer to a Noteholder as a result of or in connection with such Noteholder's exercise of, or otherwise in connection with, any Put Option (whether as a result of any purchase or redemption arising therefrom or otherwise).

5.4 Make Whole Redemption by the Issuer

The Issuer will, subject to compliance by the Issuer with all relevant laws, regulations and directives and having given not less than fifteen (15) nor more than thirty (30) calendar days' notice in accordance with Condition 11 to the Noteholders (which notice shall be irrevocable and shall specify the date fixed for redemption), have the option to redeem the 2024 Notes, in whole or in part, at any time prior to 24 July 2024 (the **Optional Make Whole Redemption Date**) at their Optional Redemption Amount (as defined below) together with any accrued and unpaid interest up to, but excluding, the Optional Make Whole Redemption Date.

The **Optional Redemption Amount** will be calculated by the Calculation Agent and will be an amount in Euro rounded to the nearest cent (half a cent being rounded upwards) being the greater of (x) one hundred (100) per cent. of the Principal Amount (as defined below) of the 2024 Notes so redeemed and, (y) the sum of the then present values on the Optional Make Whole Redemption Date of (i) the Principal Amount (as defined below) of such 2024 Notes and (ii) of the remaining scheduled payments of interest on such 2024 Notes from the Optional Make Whole Redemption Date to 24 July 2024 (determined on the basis of the interest rate applicable to such 2024 Notes from but excluding the Optional Make Whole Redemption Date (therefore excluding any interest accruing on such 2024 Note to, but excluding, such Optional Make Whole Redemption Date)), discounted to the Optional Make Whole Redemption Date on an annual basis (Actual / Actual ICMA) at the Early Redemption Rate plus an Early Redemption Margin.

The determination of any rate, amount or price, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent shall (in the absence of wilful default,

bad faith or manifest error) be final and binding upon all parties. The Calculation Agent shall act as an independent expert and not as agent for the Issuer or the Noteholders.

Early Redemption Margin means + 0.45 per cent. *per annum*.

Early Redemption Rate means

- (i) the yield to maturity of the Reference Benchmark Security expressed as an annual rate as determined by the Calculation Agent based on the Reference Benchmark Security mid-market price published on the regulated market « Borse Frankfurt » (or any successor thereof) on the fourth (4th) business day in Paris preceding the Optional Make Whole Redemption Date at 11.00 a.m. (Central European time (CET)); or
- (ii) if the Reference Benchmark Security price cannot be determined in accordance with (i) above, the yield to maturity of the Reference Benchmark Security expressed as an annual rate as determined by the Calculation Agent based on the Reference Benchmark Security mid-market price published on the relevant Bloomberg screen page (or such other page or service as may replace it for the purpose of displaying such price) on the fourth (4th) business day in Paris preceding the Optional Make Whole Redemption Date at 11.00 a.m. (Central European time (CET)); or
- (iii) if the Calculation Agent is unable to determine the Reference Benchmark Security price pursuant to (i) or (ii) above, the average of the four (4) quotations given by the Reference Dealers of the mid-market yield to maturity of the Reference Benchmark Security expressed as an annual rate on the fourth (4th) business day in Paris preceding the Optional Make Whole Redemption Date at 11.00 a.m. (Central European time (CET)).

If the Reference Benchmark Security is no longer outstanding, a Similar Security will be chosen by the Calculation Agent after prior consultation with the Issuer if practicable under the circumstances, at 11.00 a.m. (Central European time (CET)) on the third (3rd) business day in Paris preceding the Optional Make Whole Redemption Date, quoted in writing by the Calculation Agent to the Issuer.

Principal Amount means €100,000.

5.5 Residual Maturity Call Option by the Issuer

The Issuer may, at its option, from and including 24 July 2024 to but excluding the Maturity Date, subject to having given not more than thirty (30) nor less than fifteen (15) calendar days prior notice to the Noteholders in accordance with Condition 11 (which notice shall be irrevocable and shall specify the date fixed for redemption), redeem the outstanding 2024 Notes, in whole but not in part, at their principal amount plus accrued interest up to but excluding the date fixed for redemption.

5.6 Squeeze Out Redemption

In the event that twenty-five (25) per cent. or less of the initial aggregate principal amount of the 2024 Notes (including any assimilated 2024 Notes issued pursuant to Condition 12) remains outstanding, the Issuer may, at its option but subject to having given not more than forty-five (45) nor less than fifteen (15) calendar days prior notice to the Noteholders (which notice shall be irrevocable) in accordance with Condition 11, redeem all, but not some only, of the outstanding 2024 Notes at their principal amount plus accrued interest up to but excluding the date fixed for redemption. Provided that if the Issuer has exercised the Make-Whole Redemption by the Issuer as specified in Condition 5.4, the Squeeze Out Redemption shall not apply for a period of twelve (12) months as from the Optional Make Whole Redemption Date.

5.7 Purchases

The Issuer may at any time purchase 2024 Notes (together with rights to interest relating thereto) in the open market or otherwise (including by way of tender or exchange offer) at any price and on any condition, subject to compliance with any applicable laws. 2024 Notes purchased by the Issuer may be held and resold in accordance with applicable laws and regulations.

5.9 Partial Redemption

In the case of a partial redemption in accordance with Condition 5.4, the redemption will be effected by reducing the principal amount of the 2024 Notes in proportion to the aggregate principal amount redeemed, subject to compliance with any other applicable laws and regulated market requirements.

6. Payments

6.1 Method of Payment

Such payments shall be made for the benefit of the Noteholders to the Account Holders and all payments made to such Account Holders in favour of Noteholders will be an effective discharge of the Issuer and the Fiscal Agent, as the case may be, in respect of such payment.

Payments of principal, interest and other amounts in respect of the 2024 Notes will be made subject to any fiscal or other laws and regulations applicable thereto, but without prejudice to the provisions of Condition 7. - (b) *Breach of other obligations*: default by the Issuer in the due performance of any provision of the 2024 Notes other than as referred in (a) above, if such default shall not have been cured within thirty (30) calendar days after receipt by the Issuer of written notice of such default; or

10. Representation of the Noteholders

The Noteholders will be grouped automatically for the defence of their common interests in a *masse* (hereinafter referred to as the *Masse*) which will be governed by the provisions of the French *Code de commerce* with the exception of Articles L. 228-65 I. 1° and 4°, L. 228-71, L. 228-72, and R. 228-69 of the French *Code de commerce* and as supplemented by this Condition.

All interested parties will have the right to obtain the names and the addresses of the Representative at the head office of the Issuer and at the offices of any of the Paying Agents.

(c) Powers of the Representative

If such General Meeting has not been convened within two (2) months after such demand, the Noteholders may commission one of their members to petition a competent court to appoint an agent (*mandataire*) who will call the General Meeting.

General Meetings may deliberate validly on first convocation only if Noteholders present or represented hold at least a fifth (1/5) of the aggregate principal amount of the 2024 Notes then outstanding. On second convocation, no quorum shall be required. Subject to the following sentence, a Consultation in Writing may be contained in one document or in several documents in like form, each signed by or on behalf of one or more of the Noteholders. Pursuant to articles L.228-46-1 and R.225-97 of the French *Code de commerce*, approval of a Consultation in Writing may also be given by way of electronic communication allowing the identification of Noteholders (**Electronic Consent**).

Notice seeking the approval of a Consultation in Writing (including by way of Electronic Consent) will be published as provided under Condition 10(d)(v) not less than fifteen (15) days prior to the date fixed for the passing of such Consultation in Writing (the **Consultation Date**) on first notice and five (5) days prior to the Consultation Date on second notice. (v) Notice of Decisions

Decisions of the meetings shall be published in accordance with the provisions set out in Condition 11 not more than ninety (90) days from the date thereof.

(vi) Single Masse

The Noteholders and the noteholders of any other series which have been assimilated with the 2024 Notes of such first mentioned series in accordance with Condition 12, shall, for the defence of their respective common interests, be grouped in a single Masse.

11. Notices

Any notice to the Noteholders will be duly given if delivered to Euroclear France or published, so long as the 2024 Notes are admitted to trading on Euronext Paris and the rules of that stock exchange so require, in a leading daily newspaper having general circulation in France (which is expected to be *Les Echos*).

Any notice to the Noteholders shall be deemed to have been given on the date of such publication or if published on different dates, on the date of the first publication.

For the avoidance of doubt, notices relating to the convocation of the Collective Decisions pursuant to Condition 10 and pursuant to Articles R.228-61, R.228-67, R. 228-79 and R. 236-11 of the French *Code de commerce* shall be given by delivery of the relevant notice to Euroclear France, Euroclear, Clearstream and any other clearing system through which the 2024 Notes are for the time being cleared and on the website of the Issuer (www.jcdecaux.com).

12. Further Issues and Assimilation

The Issuer may from time to time without the consent of the Noteholders issue further notes to be assimilated (*assimilables*) with the 2024 Notes as regards their financial service, provided that such further notes and the 2024 Notes shall carry rights identical in all respects (or in all respects save for the issue price and the first payment of interest thereon) and that the terms of such further notes shall provide for such assimilation.

In the event of such an assimilation, the Noteholders and the holders of such further notes will be grouped together in a single *masse* for the defence of their common interests. References in these Conditions to the 2024 Notes include any other notes issued pursuant to this Condition and assimilated with the 2024 Notes.

13. Governing Law and Jurisdiction

3. **Negative Pledge**

So long as any of the 2028 Notes remains outstanding (as defined below), the Issuer will not, and the Issuer will procure that none of its Principal Subsidiaries (as defined below) will, create or permit to subsist any Security Interest upon the whole or any part of the Issuer's and/or any of its Principal Subsidiaries' assets, revenues or rights, present or future, to secure (i) any Relevant Debt (as defined below) incurred by the Issuer, or (ii) any guarantee or indemnity in respect of any Relevant Debt (whether before or after the issue of the 2028 Notes) unless, at the same time or prior thereto, the

Issuer's obligations under the 2028 Notes (a) are equally and rateably secured therewith or (b) have the benefit of such other security or other arrangement as shall be approved by the *Masse* (as defined in Condition 10) pursuant to Condition 10.

The first payment of interest will be made on 24 April 2021 for the period from, and including, the Interest Commencement Date to, but excluding, 24 April 2021.

4.2 Interest Payments

Each 2028 Note will cease to bear interest from the due date for redemption, unless payment of principal is improperly withheld or refused on such date. In such event, interest on such 2028 Note shall continue to accrue at the rate of 2.625 per cent. *per annum* (both before and after judgment) until the calendar day (included) on which all sums due in respect of such 2028 Note up to that calendar day are received by or on behalf of the relevant holder.

If interest is required to be calculated for a period of less than one (1) year, it will be calculated on an Actual/Actual (ICMA) basis for each period, that is to say the actual number of calendar days elapsed during the relevant period divided by 365 (or by 366 if a February 29 is included in such period), the result being rounded to the nearest cent (half a cent being rounded upwards).

5. Redemption and Purchase

The 2028 Notes may not be redeemed otherwise than in accordance with this Condition 5 or with Condition 8.

5.1 Final Redemption

Unless previously redeemed or purchased and cancelled, the 2028 Notes will be redeemed by the Issuer in full at their principal amount on the Maturity Date.

5.2 Redemption for Taxation Reasons

- (a) If, by reason of a change in French law or regulation, or any change in the official application or interpretation of such law or regulation, becoming effective after the Issue Date, the Issuer would, on the occasion of the next payment of principal or interest due in respect of the 2028 Notes, not be able to make such payment without having to pay additional amounts (whether in respect of some of, or all, the 2028 Notes) as specified in Condition 7, the Issuer may at any time, subject to having given not more than forty-five (45) nor less than thirty (30) calendar days' prior notice to the Noteholders in accordance with Condition 11 (which notice shall be irrevocable), redeem all, but not some only, of the 2028 Notes outstanding at their principal amount, together with all interest accrued to the date fixed for redemption, provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable Interest Payment Date on which the Issuer could make payment of principal or interest without withholding or deduction for French taxes.
- (b) If the Issuer would on the occasion of the next payment of principal or interest in respect of the 2028 Notes be prevented by French law from making payment to the Noteholders of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 7, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall, subject to having given not less than seven (7) calendar days' prior notice to the Noteholders in accordance with Condition 11 (which notice shall be irrevocable), redeem all, but not some only, of the 2028 Notes then outstanding at their principal amount, together with all interest accrued to the date fixed for redemption of which notice hereunder may be given, provided that the due date for redemption shall be no earlier than the latest practicable date on which the Issuer could make payment of the full amount of principal or interest payable in respect of the 2028 Notes or, if such date has passed, as soon as practicable thereafter.

5.3 Redemption at the option of Noteholders following a Change of Control

If at any time while any of the 2028 Notes remain outstanding (i) there occurs a Change of Control or a Potential Change of Control and (ii) within the Change of Control Period, a Rating Downgrade occurs or has occurred as such result of a Change of Control or, as the case may be, Potential Change of Control (a **Put Event**), each Noteholder will have the option (the **Put Option**) (unless, prior to the giving of the Put Event Notice (as defined below), the Issuer gives notice of its intention to redeem the 2028 Notes under Condition 5.2) to require the Issuer to redeem or, at the Issuer's option, to procure the purchase of all or part of its 2028 Notes on the Optional Redemption Date (as defined below) at an amount equal to 100 per cent. (100%) of its principal amount together with (or, where purchased, together with an amount equal to) accrued interest to but excluding the Optional Redemption Date.

A **Change of Control** in respect of the Issuer shall be deemed to have occurred when any person or persons acting in concert (as defined below) come(s) to own or acquire(s), directly or indirectly,

more than 50 per cent. (50%) of the issued share capital of the Issuer or such number of shares in the capital of the Issuer carrying more than 50 per cent. (50%) of the voting rights exercisable at a general meeting of the Issuer, provided that there will be no Change of Control of the Issuer as long as any person or any group of persons acting in concert belonging to the Decaux Family or Controlled, directly or indirectly, by any such person(s) retain the ability to appoint or dismiss the majority of the members of the board of directors, the management board or the supervisory board of the Issuer.

Change of Control Period means the period commencing on the date that is the earlier of (i) the date of the first public announcement of the relevant Change of Control and (ii) the date of the Potential Change of Control (the **Relevant Announcement Date**) and ending on the date which is one hundred twenty (120) calendar days (inclusive) after the date of the first public announcement of the relevant Change of Control.

Control has the meaning given in Article L.233-3 of the French *Code de commerce* and **acting in concert** has the meaning given in Article L.233-10 of the French *Code de commerce*.

Decaux Family means Mr Jean-François Decaux, Jean-Charles Decaux, Jean-Sébastien Decaux, their spouses, their collaterals, their ascendants and descendants to the second degree and their spouses and collaterals' ascendants and descendants to the second degree.

Potential Change of Control means any public announcement or statement by the Issuer, any actual or potential bidder relating to any potential Change of Control of the Issuer.

A **Rating Downgrade** shall be deemed to have occurred in respect of a Change of Control or in respect of a Potential Change of Control, if within the Change of Control Period, the credit rating previously assigned to the Issuer by any Rating Agency (as defined below) solicited by the Issuer is:

- (i) withdrawn, or
- (ii) changed from an investment grade rating (BBB-/Baa3, or its equivalent for the time being, or better) to a non-investment grade rating (BB+/Ba1, or its equivalent for the time being, or worse),
- (iii) if the credit rating previously assigned to the Issuer by any Rating Agency solicited by the Issuer was below an investment grade rating (as described below), lowered by at least one full rating notch (for example, from BB+/Ba1 to BB/Ba2; or their respective equivalents), or

provided that:

- (A) a Rating Downgrade shall be deemed not to have occurred in respect of a particular Change of Control or Potential Change of Control, as the case may be, if the Rating Agency making the change in rating does not publicly announce or publicly confirm that the reduction or withdrawal was the result, in whole or in part, of the Change of Control or the Potential Change of Control, as the case may be, and
- (B) any Rating Downgrade must have been confirmed in a letter or other form of written communication, sent to the Issuer and publicly disclosed.

If the Issuer is rated by more than one Rating Agency, the rating to be taken into account to determine whether a Rating Downgrade has occurred shall be the lowest rating assigned by any such Rating Agency.

Rating Agencies means S&P Global Ratings and/or Moody's Investors Service Espana, S.A. and their respective successors or affiliates and/or any other rating agency of equivalent international standing established in the European Union and registered under Regulation (EC) No. 1060/2009 as amended requested by the Issuer to grant it a credit rating (each a **Rating Agency**).

Promptly upon becoming aware that a Put Event has occurred, the Issuer shall give notice (a **Put Event Notice**) to the Noteholders in accordance with Condition 11 specifying the nature of the Put Event, the circumstances giving rise to it and the procedure for exercising the Put Option contained in this Condition 5.3.

To exercise the Put Option a Noteholder must transfer (or cause to be transferred by its Account Holder) its 2028 Notes to be so redeemed or purchased to the account of the Fiscal Agent (details of which are specified in the Put Event Notice) for the account of the Issuer within the period of forty-five (45) calendar days after the Put Event Notice is given (the **Put Period**), together with a duly signed and completed notice of exercise in the then current form obtainable from the specified office of any Paying Agent (a **Put Option Notice**) and in which the holder may specify an account denominated in euro to which payment is to be made under this Condition 5.3. A Put Option Notice once given will be irrevocable.

The Issuer shall redeem or, at its option, procure the purchase of the 2028 Notes in respect of which the Put Option has been validly exercised as provided above, and subject to the transfer of such 2028 Notes to the account of the Fiscal Agent for the account of the Issuer as described above, on the date which is the tenth (10th) Business Day following the end of the Put Period (the **Optional Redemption Date**). Payment in respect of any 2028 Note so transferred will be made in euro on the Optional Redemption Date to the account denominated in euro (or any other account to which euro may be credited or transferred) specified in the relevant Put Option Notice opened with a bank in a city in which banks use the TARGET System (as defined in Condition 6 below).

For the avoidance of doubt, no additional amount will be payable by the Issuer to a Noteholder as a result of or in connection with such Noteholder's exercise of, or otherwise in connection with, any Put Option (whether as a result of any purchase or redemption arising therefrom or otherwise).

5.4 Make Whole Redemption by the Issuer

The Issuer will, subject to compliance by the Issuer with all relevant laws, regulations and directives and having given not less than fifteen (15) nor more than thirty (30) calendar days' notice in accordance with Condition 11 to the Noteholders (which notice shall be irrevocable and shall specify the date fixed for redemption), have the option to redeem the 2028 Notes, in whole or in part, at any time prior to 24 January 2028 (the **Optional Make Whole Redemption Date**) at their Optional Redemption Amount (as defined below) together with any accrued and unpaid interest up to, but excluding, the Optional Make Whole Redemption Date.

The **Optional Redemption Amount** will be calculated by the Calculation Agent and will be an amount in Euro rounded to the nearest cent (half a cent being rounded upwards) being the greater of (x) one hundred (100) per cent. of the Principal Amount (as defined below) of the 2028 Notes so redeemed and, (y) the sum of the then present values on the Optional Make Whole Redemption Date of (i) the Principal Amount (as defined below) of such 2028 Notes and (ii) of the remaining scheduled payments of interest on such 2028 Notes from the Optional Make Whole Redemption Date to the 24 January 2028 (determined on the basis of the interest rate applicable to such 2028 Notes from but excluding the Optional Make Whole Redemption Date (therefore excluding any interest accruing on such 2028 Notes to, but excluding, such Optional Make Whole Redemption Date)), discounted to the Optional Make Whole Redemption Date on an annual basis (Actual / Actual ICMA) at the Early Redemption Rate plus an Early Redemption Margin.

The determination of any rate, amount or price, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent shall (in the absence of wilful default, bad faith or manifest error) be final and binding upon all parties. The Calculation Agent shall act as an independent expert and not as agent for the Issuer or the Noteholders.

Early Redemption Margin means + 0.50 per cent. *per annum*.

Early Redemption Rate means

- (i) the yield to maturity of the Reference Benchmark Security expressed as an annual rate as determined by the Calculation Agent based on the Reference Benchmark Security mid-market price published on the regulated market « Borse Frankfurt » (or any successor thereof) on the fourth (4th) business day in Paris preceding the Optional Make Whole Redemption Date at 11.00 a.m. (Central European time (CET)); or
- (ii) if the Reference Benchmark Security price cannot be determined in accordance with (i) above, the yield to maturity of the Reference Benchmark Security expressed as an annual rate as determined by the Calculation Agent based on the Reference Benchmark Security mid-market price published on the relevant Bloomberg screen page (or such other page or service as may replace it for the purpose of displaying such price) on the fourth (4th) business day in Paris preceding the Optional Make Whole Redemption Date at 11.00 a.m. (Central European time (CET)); or
- (iii) if the Calculation Agent is unable to determine the Reference Benchmark Security price pursuant to (i) or (ii) above, the average of the four (4) quotations given by the Reference Dealers of the mid-market yield to maturity of the Reference Benchmark Security expressed as an annual rate on the fourth (4th) business day in Paris preceding the Optional Make Whole Redemption Date at 11.00 a.m. (Central European time (CET)).

If the Reference Benchmark Security is no longer outstanding, a Similar Security will be chosen by the Calculation Agent after prior consultation with the Issuer if practicable under the circumstances, at 11.00 a.m. (Central European time (CET)) on the third (3rd) business day in Paris preceding the Optional Make Whole Redemption Date, quoted in writing by the Calculation Agent to the Issuer.

Principal Amount means €100,000.

15. The Notes have been rated BBB by S&P Global Ratings (**S&P**) and Baa2 by Moody's Investors Service Espana, S.A. (**Moody's**). The long term debt of the Issuer has been rated BBB (credit watch with negative implications outlook) by S&P and Baa2 (rating under review outlook) by Moody's.
16. The Issuer's Legal Entity Identifier is 9695009KV7AFPDEI5S30.
17. In the ordinary course of their business activities, the Joint Lead Managers and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Issuer or Issuer's affiliates. Where there is a lending relationship between

the Issuer and one or several Joint Lead Managers, it cannot be excluded that all or part of the proceeds of the issue of Notes be used to repay or reimburse all or part of such loans. Certain of the Joint Lead Managers or their affiliates that have a lending relationship with the Issuer routinely hedge their credit exposure to the Issuer consistent with their customary risk management policies. Typically, such Joint Lead Managers and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in securities, including potentially the Notes. The Joint Lead Managers and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments. Certain of the Joint Lead Managers, the Calculation Agent and their respective affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform services for, the Issuer and its affiliates in the ordinary course of business.
